

OM

**OLIVER MANZI**

SOFTWARE ENGINEER | OLIVERMANZI.COM

## OBJECTIVE

I want to develop my career doing things that I love.

## SKILLS

- Entrepreneurial Project Management
- Business Analysis
- Problem Solving
- Team Player
- JavaScript
- NodeJS
- Vue.js
- Express.js
- MongoDB
- Dev Ops

## EXPERIENCE

### FOUNDER & CEO • FETCHQR • AUGUST 2020 - PRESENT

Founded an order management platform for hospitality business. I manage business strategy, operations and development. This means that I overview and delegate front/backend development, dev operations as well as marketing and sales of software products. Since it's a startup, I'm also a frontend developer.

### TECH LEAD • ZESEC OF SWEDEN • NOVEMBER 2019 – JUNE 2020

Coordinated the technical development of the prop-tech platform which included web and mobile applications with local and remote (Australia and Ukraine) teams. I also worked as a holistic software architect and frontend developer for the web application.

### JUNIOR SOFTWARE ENGINEER (INTERN) • APTIV • JANUARY 2018 – NOVEMBER 2019

Develop widgets (clocks, music players etc.) for the user interface in vehicles.

## EDUCATION

### ENTREPRENEURSHIP AND INNOVATION MANAGEMENT • JUNE 2021 • KUNGLIGA TEKNISKA HÖGSKOLAN

In progress...

### SOFTWARE ENGINEERING AND MANAGEMENT • JUNE 2020 • UNIVERSITY OF GOTHENBURG

This program was my introduction to software engineering and programming, I have come to enjoy the art of solving problems and developing high quality software individually and as a member of a team.

- Object Oriented Programming (VG)
- Information Security (VG)
- Data Management (G)
- Embedded Systems (VG)
- Data Structures and Algorithms (VG)
- Embedded and Cyber Physical Systems (VG)

## VOLUNTEER EXPERIENCE OR LEADERSHIP

---

I volunteered to act as student representative to the faculty board in my bachelor's degree where I successfully brought forward the resolution to improve grade conversions for students that wanted to apply internationally. I also helped improve access into certain areas in the campus.
